#### Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

#### Product Labeling

Do all hearing aid-compatible handsets include labeling? No

Explain: Hearing aid-compatible handsets do not include labeling because the phones and the associated packaging were manufactured prior to the effective date of the current product labeling requirements.

Do all hearing aid-compatible handsets with the Wi-Fi air interface have clear and effective disclosure that the handset has not been tested for hearing aid compatibility with respect to its Wi-Fi voice operation? Yes

Explain:

#### Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Yes

Website address: [www.stimobile.com](http://www.stimobile.com)

Explain:

### Consumer Outreach

Describe consumer outreach efforts in the past 12 months: STi Mobile has taken all reasonably commercial efforts to identify hearing aid-compatible handsets to its customers. As part of this effort, STi Mobile has identified hearing aid-compatible handsets on its website and trained its personnel to respond to customer inquiries regarding hearing aid-compatibility issues.

### Methodology for Functionality Levels

Basic - entry-level handsets that contain standard voice and text functionality

Enhanced - mid-level handsets that contain advanced functionality, such as mobile Internet, camera phone, and Bluetooth features
